ABOUT SOME OF THE SQUARES

#4 Do you know what all your WIPs are? Are there any hidden and forgotten WIPs to find? Gather them up so you can make some decisions and work towards finishing square #8.

#11 We love supporting our Local Yarn Shops (LYSs)! To complete this square you can do one or more of the following:

- Visit a LYS in person or online, and shop for a little something for you or a friend (would also complete #18).
- Like, comment on, or share a post a LYS made recently on social media.
- Check out a new-to-you LYS and give their social media page a follow!
- Subscribe to their newsletter.

If you need help discovering a new LYS - check out our list of recommendations at: ceruleanorchid.com/wip-bingo.

#14 Bring your WIPS and prepare to weave in those ends! We'll be hosting these virtual Sip & Stitches on Discord:

<https://discord.gg/yUWjzxvSj7>

#20 Take a moment for self-care. Stretch your stitching hands, your neck, or take a break from the project to move in a different way.

#22 See #14.

#24 Finish your project by sewing on a button, attaching the applique/patch, adding in a pom-pom, etc.
