

Yarn Dragon Beanie

Designed by Jeananne Atthowe

Her emerald and deep purple scales shimmer as she spreads her wings to take flight. The villagers have left gifts for her in their fields; her fiery heart is joyous at the sight of enormous balls of yarn in every direction! This is her favorite time of year. She carefully gathers each ball and carries them to her hoard, delighting in the fibers, colors, and craftsmanship of each one.

STITCH ABBREVIATIONS & EXPLANATIONS

CH: Chain

MC: Magic Circle (Magic Loop, Adjustable Ring)
Make a loop with the yarn around your fingers with the tail end of the yarn behind the working yarn (the yarn coming from the skein), leaving a tail about 6 inches long. Hold the place where the yarn overlaps between your thumb and forefinger. Insert your hook through the loop and bring through a loop of the working yarn; one loop is now on the hook. CH the appropriate number of STS for the ST that will be worked into the MC (e.g. 3 CHs for a HDC). Work the desired number of STS around the ring, working over both the working yarn and the tail so that the tail can be pulled to close the circle when all stitches are completed.

PUFF:

**YO, insert hook into the stitch and pull up one loop. Repeat from * twice working into the same stitch, being careful to keep the loops loose. There should now be seven loops on the hook. YO and draw the yarn through six loops. YO and draw the yarn through the remaining two loops on the hook.*

RND(S): Round(s)

SC: Single Crochet

SLST: Slip Stitch

ST(S): Stitch(es)

YO: Yarn Over

SPECIAL STITCHES

FP-PUFF: Front Post Puff

*Working around the post of the indicated ST from front to back, *YO, insert hook into the stitch and pull up one loop. Repeat from * twice working into the same stitch, being careful to keep the loops loose. There should now be seven loops on the hook. YO and draw the yarn through six loops. YO and draw the yarn through both loops on the hook.*
